	i	Create and perform their own chanted rhythm patterns with the same stick notation.
Musicianship: Pitch	j	Play a range of singing games based on the cuckoo interval (so-mi) matching voices accurately, supported by a leader playing the melody. The melody could be played on a piano, acoustic instrument, or backing
		track.
	k	Sing short phrases independently within a singing game or short song.
	- 1	Respond independently to pitch changes heard in short melodic phrases, indicating with actions (e.g. stand up/sit down, hands high/hands low).
	m	Recognise dot notation and match it to three-note tunes played on tuned percussion.

Unit Outcomes	-						1	
		Listen and identify where notes in the melody of the song go down and up.	Begin to develop an understanding and appreciation of music from different musical traditions.	Listen to and analyse the pitch and melody of a song, identifying how the song has been developed using symmetry.	Listen and respond with crotchet and quaver pulse actions and adapt these actions to the changing speed of music.	Listen to a range of Cuban pieces, understanding influences on the music and recognising some of its musical features.	Develop active listening skills by responding to musical themes through movement. Engage the imagination when listening to music, and draw/paint to show what you hear.	Listen to pieces of music, identifying and comparing how composers have combined words and music.

	h	Compose a ternary piece, or another musical structure, use available music software/apps to create and record it, discussing how musical contrasts are achieved.
Performing: Instrumental	a	Play a melody following staff notation written on one stave and using notes within an octave range (do-do). Make decisions about dynamic range.
	b	Accompany this same melody, and others, using block chords or a bass line. This could be done using keyboards, tuned percussion, or tablets, or demonstrated at the board using an online keyboard.
	С	Engage with others through ensemble playing with pupils taking on melody or accompaniment roles. The accompaniment, if instrumental, could be chords or a single-note bass line.
Performing: Reading notation	d	Further understand the differences between semibreves, minims, crotchets, quavers, and semiquavers, and their equivalent rests.
	e	Further develop the skills to read and perform pitch notation within an octave (e.g. C-C/ do-do).
	f	Read and play confidently from rhythm notation cards and rhythmic scores in up to 4 parts that contain known rhythms and note durations.
	g	Read and play from notation a four-bar phrase, confidently identifying note names and durations.
